Rationale

Pursuant to the Conclusion enacted by the President of the Commission for Protection of Competition no. 4/0-02-368/2018-1 of April 24, 2018, the Commission has instituted proceedings *ex officio* against undertakings "Yuglob doo privatno preduzeće za spoljnu trgovinu, trgovinu, zastupanje, posredovanje, konsalting i inženjering i usluge, Borča" (hereinafter referred to as Yuglob) and ""Samostalna trgovinsko komisiona radnja-Bebi butik Roda Avramović Rade preduzetnik Beograd (Zvezdara)". Pursuant to the Conclusion enacted by the President of the Commission for Protection of Competition no. 4/0-02-368/2018-5 of April 24, 2018, an order to conduct dawn raid on the premises of company Yuglob was issued. During the dawn raid, the following agreements were found and photocopied:

- General agreement on purchase and sale, concluded on January 22, 2015 between Yuglob and Medicom doo Šabac (hereinafter referred to as Medicom), filed with Yuglob under number 374 of March 17, 2015 and with Medicom under number 359 of January 23, 2015;
- General agreement on purchase and sale, concluded on January 1, 2017 between Yuglob and NS Pharm doo Novi Sad (hereinafter referred to as NS Pharm), filed with Yuglob under number 316 of April 21, 2017 and with NS Pharm under number 619 of April 18, 2017;

(hereinafter individually and collectively referred to as the Agreement(s)).

Upon reviewing the Agreements, it is established as follows:

- Yuglob is regarded as the seller;
- the subject matter of the Agreements concluded with undertakings Medicom and NS Pharm is the sale and delivery of goods to the buyer from the seller's product portfolio intended for further sale, namely: the Original Pavlović Ointment, baby care products NUK Germany and textile;
- in Article 2 of the Agreements, the parties have agreed on the buyer's commitment not to establish the price of products in further sale below the seller's invoice price.

Following a detail analysis of the Agreements, the Commission for Protection of Competition (hereinafter referred to as the Commission) has reasonably assumed that company Yuglob, as the seller, and Medicom and NS Pharm, as buyers, have established the sale prices and other conditions of trade on the baby care products retail market. The reasonable assumption is based on the fact that the Agreements concerned contain provisions that set the prices in further sale, which restrict buyers to individually and autonomously make business decisions relating to the price policy of respective companies.

The provision of Article 10(1) of the Law on Protection of Competition (Official Gazette od the RS, 51/2009 and 95/2013 - hereinafter referred to as the Law), stipulates the following: Restrictive agreements are agreements between undertakings which as their purpose or effect have a significant restriction, distortion or prevention of competition in the territory of the Republic of Serbia.

The provision of Article 10(3) of the Law stipulates that restrictive agreements are prohibited and void, except in cases of exemption from the prohibition pursuant to this Law.

Given a positive assessment on the fulfilment of conditions from Article 35(1) of the Law for instituting *ex officio* proceedings for investigation of competition infringement, and pursuant to the provision of Article 35(2) of the Law, it is decided as in Paragraphs I and II of enacting terms herein.

Pursuant to the provision of Article 40(1) of the Law, where is stipulated that a decision on instituting *ex officio* proceedings is published in the Official Gazette of the Republic of Serbia and on the website of the Commission, it is decided as in Paragraph III of enacting terms herein.

Instruction on legal remedy:

This conclusion is not susceptible to special appeal, but is permitted to institute administrative dispute by an appeal before the Administrative Court against the final decision of the Commission.
